

# IoT Made Easy – Session 2/4

Connectivity *Made Easy* & *Scalable* for your IoT Application

Session 1 (14 Sept, 2pm CET) : « Power Efficient Solutions for your IoT Applications »  
Session 2 (15 Sept, 2pm CET) : « Connectivity Made Easy and Scalable for your IoT Application »  
Session 3 (16 Sept, 2pm CET) : « Security matters... and How it is Now so Easy »  
Session 4 (17 Sept, 2pm CET) : « Scale your Business : from Easy Prototyping to Fast Time to Market »

## **Session 2: Connectivity Made Easy for your IoT Sensor Design**

Communication is one of the biggest challenges in sensor design. Making the right decision at the beginning is challenging. There are many dynamic regulations in the world; scalability and agility of technologies, power budgets, maintenance over time, space limitations, secure communication, and cost. Do you face these challenges in your design? You should not miss this event! Hear about our latest and greatest solutions.

#Wireless, #Ethernet, #ChipDown, #Agility, #Scalability, #Regulations

**IoT Made Easy| Smart|Connected|Secure**
